Narrative Description of the School and Community

South Creek Elementary School is a K-3 school that sits at 9010 E. Southport Road in Indianapolis, IN 46259. We are one of 6 elementary schools in the Franklin Township Community School Corporation. We currently have 605 students after realignment this school year. Demographics are as follows:

In 2020-2021 our Free and Reduced lunch populations was at 42.4%. Our students with disabilities make up 13.6% of our population and our English Language Learners make up 7% of our population. We have a very involved Parent Teacher Organization (PTC) which supports many family events at South Creek Elementary School. These events include but are not limited to Open Houses, Educational Field Trips, Holiday Celebrations, Cookies & Canvas Art nights, Drive In Movies, and Parent Informative Meetings. Together with our 13 Instructional Assistants, 22 General Education Teachers, 4 REACH High Ability Teachers, 3 Special Area

Teachers, 3 Special Education Teachers, 1 Essential Skills Teacher, 1 ENL Teacher, 1 Administrative Intern, 1 Counselor, 1 Principal, and PTO we strive to create an environment where all stakeholders communicate the value of education in a manner that develops the whole child to be successful in society.

South Creek Elementary has a standard elementary program, meeting all of the Indiana Department of Education required standards in grades K-3. Many different types of learning activities are used to meet the needs of all students. South Creek Elementary school's staff and administrators are continually striving to motivate all students to think, read, persevere, and grow to their full potential. We have incorporated special programs to enrich our curriculum. Teachers utilize Waterford and Everyday Math online in their classrooms, and students have access to these online resources at home. South Creek Elementary School's Student Council also gives our students a chance to experience government.

Mission, Vision, or Beliefs

The vision of South Creek Elementary School is to provide a safe learning environment where all students excel and collaborative relationships are built.

Statutes and rules the school wishes to have suspended from operation

South Creek Elementary is not applying for any waivers.

Description and Location of Curriculum

FTCSC offers a K-12 guaranteed and viable curriculum to meet the diverse needs of the learners that we serve. Adopted curriculum supports Indiana and Common Core State Standards and is delivered consistently across the district and includes common assessments. Pacing Guides are available at all schools. Reading is supported systemically and instruction supports the essential five: Phonemic Awareness, Phonics, Fluency, Comprehension and Vocabulary. Math curriculum supports the 8 practical mathematical

strategies and challenges our students at higher levels. Content areas also embed reading, writing and math skills while our writing initiative is embedded K-12 across the curriculum to prepare students for career and college opportunities.

Each week, teachers meet in Professional Learning Communities (PLC's) to review student work and to share best practices. Teachers collaborate to create next steps for differentiated instruction based upon real time data.

Copies of the curriculum guides, as well as titles of textbooks, are available at the Franklin Township Community School Corporation Central Office. Parents and students can also access many of their textbooks online with usernames and passwords on the textbook company sites.

Title and Description of Assessment Instruments

In Franklin Township, we utilize the assessments that are recommended and provided by the Indiana Department of Education. Below is a list of Assessments used in FTCSC:

ILEARN (including GQE Retest)

The purpose of the *ILEARN* program is to measure student achievement in the subject areas of English/Language Arts, Mathematics, Science*, and Social Studies**. In particular, ILEARN reports student achievement levels according to the Indiana Academic Standards that were adopted in November 2000 by the Indiana State Board of Education. An Applied Skills Assessment and a Multiple-Choice Assessment are used to measure these standards; they are required components of the ILEARN program.

Common Formative Assessments are administered systematically throughout the course of the school year to progress monitor student progress of the standards. Mastery Connect will assist school staff in data collection and drive PLC conversations focused around student learning.

*Science is assessed in grades 4 and 6.

**Social Studies is assessed in grades 5 and 7

ILEARN ECA

The purpose of the Indiana Statewide Testing for Educational Progress Plus (ILEARN) program is to measure student achievement in the subject areas of English/Language Arts, Science, and Mathematics. In particular, ILEARN reports student achievement levels according to the Indiana Academic Standards that were adopted in November 2000 by the Indiana State Board of Education. The

ILEARN End-of-Course Assessments (ECAs) are criterion-referenced assessments developed specifically for students completing their instruction in Algebra I, Biology I, or English 10.

*Science is assessed in grades 4 and 6.

**Social Studies is assessed in grades 5 and 7

IREAD-3

The purpose of the *Indiana Reading Evaluation And Determination (IREAD-3)* assessment is to measure foundational reading standards through grade three. Based on the Indiana Academic Standards, IREAD-3 is a summative assessment that was developed in accordance with Public Law 109 which "requires the evaluation of reading skills for students who are in grade three beginning in the Spring of 2012 to ensure that all students can read proficiently before moving on to grade four".

Clearsight

The purpose of the Airways assessments is to provide diagnostic measures for grade 3 students in English/language arts, mathematics, science, and social studies. Assessment reports provide standards aligned performance data, which support an educator's ability to inform instruction at the student, class, school, and corporation level. Clearsight Assessments are used in grade 3 in the elementary buildings within Franklin Township.

WIDA

The purpose of WIDA is to determine a student's level of English proficiency. The placement test, administered upon the student's arrival in the United States, is used to determine the ELL services appropriate for the student. The annual assessment, administered in January and February, is used to determine the student's current level of English proficiency and is used for accountability purposes.

NAEP

The purpose of NAEP (National Assessment of Educational Progress), also known as "The Nation's Report Card", is used to demonstrate performance over time for a selected sample within Indiana. This assessment is administered annually to students in grades 4, 8, and 12, and can be used to compare student performance across the United States. During selected assessment cycles, TIMSS (Trends in International Mathematics and Science Study), PISA (Program for International Student Assessment), and PIRLS (Progress in International Reading Study) are administered in conjunction with the NAEP assessment.

Cognitive Abilities Test/Screenner (CogAT)

This test measures a student's abilities to reason with words, quantitative concepts, and nonverbal(spatial) pictures. The CogAT Multilevel Battery has levels and is designed for use in grades K-12. The CogAT screener is used in primary grades for one component of high ability identification.

ACT

The purpose of the ACT is to measure high school students' general educational development and their capability to complete college level work. There are four areas of assessment: English, Mathematics, Reading, and Science. Students may also choose to additionally take a Writing assessment. A student's scores provide an indicator of college readiness in skills necessary for success in entry level college courses in those areas. The ACT is offered four to six times between September and June.

SAT

The purpose of the SAT Reasoning Test is to measure literacy and writing skills that are needed for academic success in college and assess a student's ability to analyze and solve problems – skills learned in school that are essential for college success. The test is offered each month September through June. Most colleges or universities require a student to complete either the SAT or the ACT before granting admission to the college or university.

TOMAGS

The purpose of the TOMAGS (Test of Mathematical Ability for Gifted Students) is to measure a student's ability to use mathematical problem-solving and reasoning. There are two levels: a primary level for grades K-3 (ages 6-9) and an intermediate level for grades 4-6 (ages 9-12).

Safe and Disciplined Learning Environment

South Creek Elementary has an MTSS Tier Team which consists of grade level & related arts representatives (Tier I), school counselor (Tier II), school administrator (Tier III). Our Tier I committee meets monthly and reviews school data and the effectiveness of schoolwide procedures. PBIS was adopted in 2007 and we are now merging all that was learned to address the needs of the whole child through the principles of MTSS. Revisions to procedures are made with feedback from our school staff.

Franklin Township will be adding a cohort of principals to an Inclusive Leadership team in the Fall of 2021.

Conscious Discipline is a trauma-informed, evidence-based social and emotional best practice implemented throughout Franklin Township. It is focused on creating an environment of safety, connection, and problem solving for our students. Students learn the Seven Skills of Discipline, the Brain States, and the importance of Connections within our School Family. School staff learn the Seven Powers of Conscious Adults so that we can assist students in regulating their emotions and improving their well-being. A cohort of counselors received training during the summer of 2019 and a cohort of principals will be trained in Orlando, FL in summer of 2021.

South Creek Elementary School conducts emergency preparedness drills during the school year. These drills include; fire, severe weather, lockdown and bus evacuation drills. The South Creek Elementary School building has a secured entrance. This requires all visitors to enter through the main office, have their identification verified and a criminal history check through our Safe Visitor System prior to being issued a visitor pass. All other exterior doors are locked at all times and can only be unlocked from the outside using a staff member's school identification badge.

Franklin Township Community School Corporation has their own Police Department which consists of five officers and a K9 dog trained in detecting drugs and firearms. These officers are in our buildings daily to assist.

Bullying is prohibited by South Creek Elementary. Students who commit any acts of bullying are subject to discipline including but not limited to suspension, expulsion, arrest, and/or prosecution. "Bullying" is defined as overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically); physical acts committed; aggression; or any other behaviors committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student, creating for the targeted student an objectively hostile school environment that:

- Places the targeted student in reasonable fear of harm to his or her person or property
- Has a substantially detrimental effect on the targeted student's physical or mental health
- Has the effect of substantially interfering with the targeted student's academic performance
- Has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, or privileges provided by the school.

Highly Qualified Teachers and Paraprofessionals

All teachers newly hired at South Creek Elementary must be "highly qualified." "Highly Qualified" means:

- full State certification as a teacher or passed State teacher licensing exam and holds current license to teach; certification or licensure requirements may not be waived on emergency, temporary, or provisional basis;
- at least a bachelor's degree; passing a rigorous State test on subject knowledge and teaching skills in reading, writing, math, and other areas of elementary curriculum (State certification test may suffice)

Strategies to Attract High-Quality, Highly Qualified Teachers

South Creek Elementary posts job openings on the website and with the Indiana Department of Education. Administrators attend interview programs at universities in Indiana. The FTCSC elementary administrators often take a team approach to interviewing when there are several openings in the corporation. Candidates will have the first round interviews with the administrative team. The second round interviews are conducted as the individual school with the administrators of the building as well as a small interview team of teachers. During the second interview, candidates are given scenarios to respond to on how they would handle a certain situation. They are also given a specific standard and asked to provide a mock lesson they would teach this standard to low, average and high learners. Administrative Interns spend 75% of their time coaching teachers towards improvement. A district math coordinator and mental health specialists are also available to assist teachers and administrators with these specific areas of need.

Provisions to Maximize Parental Participation

South Creek Elementary communicates its school grade to our parents via the FTCSC website. Parent/Teacher conferences are during the school year for parents and teachers to communicate each child's progress as well as goal setting for the school year. Parents are always encouraged to participate in decisions relating to the education of their children. Parents are encouraged to be involved in our PTO meetings which are held the first Monday of each month through the Zoom platform.

- South Creek Elementary intends to offer the following parent nights during the 2021-2022 school year: Family Back to School Open House for new students, Two virtual Cookies & Canvas events to celebrate the arts, PTO Drive-In Movie Night, Read Across America Week where we spend extended time reading throughout the school day whole school reading activities. Additional events are pending parental input and involvement.
- ILEARN results will be sent home with our families of students in grade 3 after each administration.
- Skyward Parent Portal - utilized by all parents, tracking their child's progress.

- Parent Meetings are set up throughout the year at both the parent and teacher request.
- IREAD results are sent home after administration. Conferences are held for any student who Did Not Pass.

Transition Plans

Franklin Township Community School Corporation has a developmental Preschool Program. To help students transition from the preschool program located at Wanamaker Early Learning Center a conference is held at the child's kindergarten homeschool. Incoming kinders are also provided with information about what to expect in kindergarten and activities to help them prepare over the summer.

Our intermediate school will invite our 3rd grade students over to visit the intermediate school and experience their new schedule. Students break up into groups and a student mentor answers questions and helps the 3rd grade students feel comfortable and confident about their upcoming transition. We also provide our intermediate school with information about IEP, high ability, LEP, 504, etc so that schedules can be developed accordingly.

Opportunities for Teacher to be included in Decision-Making

The South Creek Elementary teachers are active participants in the school-wide planning process through building level discussions, student's Multi-Tiered Systems of Support, and through collaboration time during grade level meetings. Their input is so valuable in decision making at our school.

- South Creek Core Team- The principal, Administrative intern, and school counselor meets with grade level representatives to discuss any concerns or trends across the building to further enhance practice and planning for our students.
- South Creek Building Level Discussions- Once a month, 1 school representative meets with the school administrator to bring concerns from other teachers to discuss. During this meeting there is discussion on instructional practices, school procedures, and contractual issues.
- Collaboration Time- grade level teams meet on a monthly basis in the school. During these meetings the teachers review data and practice and look at current plans, and curriculum maps to determine if there is a need for revision, supplemental materials, enrichment, or omission. The grade level provides feedback to the leadership team member so the administrator can support as needed.

- Professional Development & Staff meetings--These are held for both professional learning and for informational purposes.

Timely Additional Assistance

Teachers and the Administrative Intern use the Guided Reading Data, CFA Data, CFUS, report card data, ILEARN and any other relevant information to determine what type of interventions need to take place and if testing may need to occur. Teachers begin using Tier 2 interventions in the classroom. If little or no progress occurs, then an additional Tier 3 intervention is added. If there is still little to no progress, the Tier 3 team determines if the student needs further testing to qualify for an IEP.

*Tier 2 interventions occur for 30 min./ 5 times a week. We are using the Guided Reading Rise Intervention Program this year for students who are below grade level in first-third grade. This includes 95% instruction as well as support in other areas of reading (comprehension, fluency, etc). Tier 3 interventions are in place for those students who are 2 grade levels or below and need additional assistance. Tier 3 interventions utilize the Orton Gillingham method of Reading instruction that focuses on Phonemic Awareness and Phonics as the base for reading instruction. Tier 3 interventions occur 5 times a week as well.

- MTSS process- teachers collaborate on the needs of the whole child (academic, behavioral, social & emotional) of students by analyzing benchmark assessments and pre and post tests in areas of concern. Teachers support each other with different ideas to support our students. If the grade level team has tried multiple tiers of support with little to no success, the teacher will submit the student's information for review to determine if further testing is appropriate.
- Our MTSS Tier 3 team is made up of the SLP, school psychologist, school counselor, special education teachers, ENL teacher, Title 1 Administrative Intern, and building principal. This team looks at student data that has been submitted by the classroom teacher after tier 2 and tier 3 interventions result in little to no progress.

Provisions for the Coordination of Technology Initiatives

Franklin Township Community School Corporation submitted the required Online Technology Plan in full compliance with IC 20-20-13. The plan can be found in its entirety on the secure DOE online system. The document details our comprehensive plan for the coordination of technology initiatives. The coordination is best summarized in Sections II and VIII of the plan:

“Our technology integration specialists have been hard at work integrating in-house digital lesson plans that have been created by teams of teachers within the district. Our goal being to shift from physical textbooks and purchased digital content to teacher curated/created digital content.

We are in the middle of working on a three- year technology plan implementation with the focus of being BYOD at the secondary level with heavy district-owned technology in primary. We are intentionally focusing on ensuring training for teachers is delivered ahead of any device rollouts. Teachers this year received training on effective use of Google Classroom in elementary and Canvas in secondary.”

Cultural Competency

In Franklin Township, we welcome diversity. We will incorporate culturally appropriate strategies for increasing educational opportunities and the educational performance of all.

SIOIP training will be offered during the Fall of 2021. A District Inclusive Leadership team has additionally been created to continue to grow and celebrate the diversity within our township. In turn, the administrators have conducted professional development with their teachers and staff on culturally appropriate strategies for increasing educational opportunities and academic performance for represented groups.

Coordination and Integration of Federal, State, and Local Funds

As a Title Schoolwide school, South Creek Elementary will use money from local, state and federal sources to educate all students. The district separates these monies for accounting purposes and they are not combined. However, monies are budgeted by our central office in a systematic way that allows us to better meet the needs of all students.

At South Creek Elementary, our funds (Title 1, Title II, and Title III) are coordinated to meet the Instructional needs of all students and the professional development needs of all staff.

Plan for Submission/Updating Schoolwide Plan

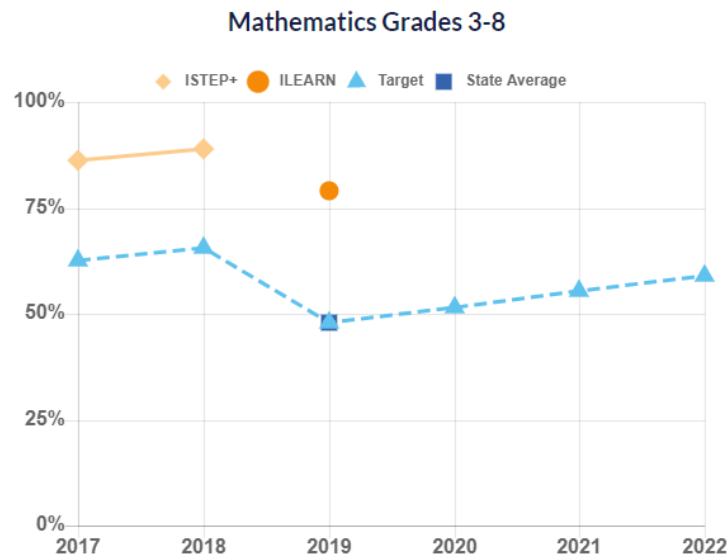

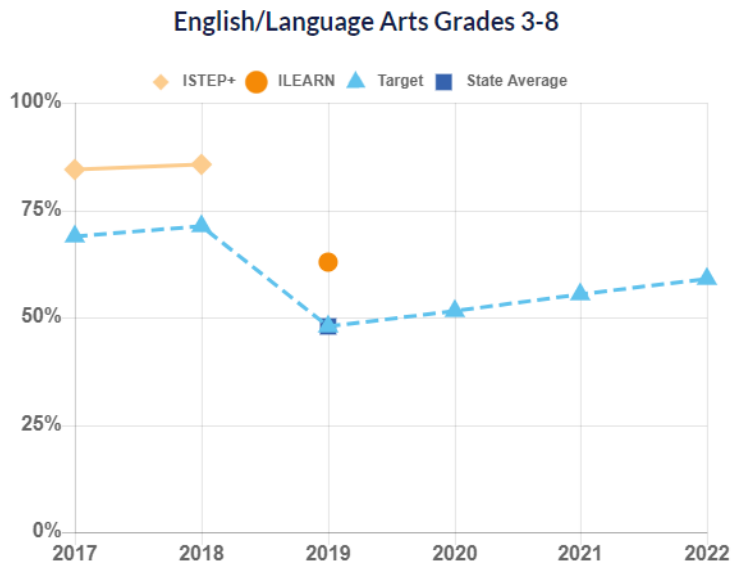

The following is the model that is used yearly. This is the 2021-22 calendar for SWP:

Date	Members	Purpose
September 2021 Beginning of the year	Leadership Team	Review Plan and Analyze 20-21 data. Discuss if any changes need to be made to original plan
October 9, 2021 End of 1st Quarter	Leadership Team	Review 1st 9 weeks data and report to Grade Level Teams during PLC.
December 18, 2021 End of 1st semester	Leadership Team	Review 2nd 9 weeks data and and revise plan for 2nd semester Report to Grade Level Teams during PLC.

March 19, 2022 End of 3rd Quarter	Leadership Team	Review and Revise Plan based on data. Report to Grade Level teams during PLC
May 23, 2022 End of the year	Leadership Team	Review Data and Develop Plan for the following year.

The South Creek Elementary School Improvement Plan team consists of a representative of every grade level as well as the Administrative Intern, Special Education Teacher, ENL teacher, Counselor, and a Parent Representative. The team will meet quarterly to review data and revise plans as needed. Input from the entire staff is solicited mid year and during the development of the following year's plan. Staff also has the opportunity to provide input at grade level meetings, quarterly at our central office and on a monthly basis in their home school. During these meetings goals, strategies, and implementation are discussed.

Historical Attendance Rates and State Assessment Data

ILEARN Performance

	Below Proficiency	Approaching Proficiency	● At Proficiency	● Above Proficiency
English/Language Arts Grades 3-8	17.7%	19.5%	32.3%	30.5%
Mathematics Grades 3-8	6.2%	14.6%	27.9%	51.3%
Science Grades 4 & 6	12.0%	20.0%	37.3%	30.7%
Social Studies Grade 5	17.1%	18.4%	30.3%	34.2%

Model Attendees

Persistent Attendees

Improved Attendees

Chronic Absenteeism

Our school counselor is the Attendance Officer for South Creek Elementary. When students excessively arrive late or have more than 9 absences the parent is contacted via letter or phone call. We also contact parents when there are more than 10 unexcused absences and inform the family that they now require a doctor's note for the absence to be excused.

South Creek Elementary has a yearly goal to maintain an attendance rate of 96% or greater.

South Creek Elementary School Goals and Action Plan-ELA

School: South Creek Elementary							
Goal : By spring of 2022, 55% of third grade students will have a proficient rating on the ILEARN assessment.

South Creek Elementary Math Assessment Plan

School: South Creek Elementary
Goal: By Spring 2022, 70% of all students in third grade will score proficient on the math ILEARN assessment.
Benchmarks: 2021 64% of all third grade students scored proficient on the math ILEARN assessment.
Year 1: During the 2021-2022 school year, 70% of all students in third grade will score proficient on the math ILEARN assessment.
Year 2: During the 2022-2023 school year, 75% of all students in third grade will score proficient on the math ILEARN assessment.

Year 3: During the 2023-2024 school year, 80% of all students in third grade will score proficient on the math ILEARN assessment.

South Creek Elementary School Compact

Title I Student-Parent-School Compact

As part of the Title I School Program, we are asking that you and your child join us in signing a written agreement (or compact) that expresses support of your child's education and commits everyone involved in your child's education to helping him/her reach his/her potential as a learner. This compact forms a partnership, which will lead to a successful educational experience for your child.

Parents

It is the responsibility of the parent to:

- actively communicate with school staff
- be aware of rules and regulations of school
- take an active role in the child's education by reinforcing, at home, the skills and knowledge the student has learned in school
- utilize opportunities for participation in school activities
- monitor attendance, homework completion, and television watching
- read with my child regularly
- Volunteer in your child's classroom as available
- To participate, as appropriate, in decisions relating to the education of their child and positive use of extracurricular time.

Parent Signature: _____ Date: _____

Staff

It is the responsibility of the staff to:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables children served under Title I to meet the state's student academic achievement standards
- Promote and encourage parent involvement activities
- Effectively and actively communicate on an ongoing basis with all parents about skills the student is learning in school and suggestions for reinforcement
- Send information to parents of Title I children in a format and, to the extent practicable, in a language the parents can understand
- Hold parent-teacher conferences in elementary schools, at least annually, during which the compact will be discussed as it relates to the individual child's achievement
- Provide quarterly reports to parents on their child's progress
- Welcome opportunities for parents to volunteer, participate, and/or observe in Title One classroom activities

Teacher Signature: _____ Date: _____

Student Responsibilities

It is the responsibility of the student to:

- Always complete work and do my best
- Follow classroom and school rules
- Work cooperatively on a daily basis
- Read at home on a daily basis

Student Signature: _____ Date: _____

South Creek Elementary School Parent Involvement Policy

Title I Parent Involvement **South Creek Elementary**

I. South Creek Elementary endorses the parent involvement goals of Title I and encourages the regular participation by parents of Title I eligible children in all aspects of the program. The education of children is viewed as a cooperative effort among the parents, school and community. In this policy, the word "parent" also includes guardians and other family members involved in supervising the child's schooling.

1. In accordance with No Child Left Behind Act of 2001 law, the school will:

1. Develop jointly with, agree on with and distribute to parents of children participating in the Title I School-Wide program a written parent involvement policy that describes how the school will carry out the parental involvement requirements in section 1118(c) - (f), including the development of a school-parent compact.
2. Notify parents of its written parental involvement policy in an understandable and uniform format and, to the extent practicable, in a language the parents can understand
 - a. make its written parental involvement policy available to the local community
1. Give each parent timely notice when their child has been assigned to or has been taught for four or more consecutive weeks by a teacher who is not highly qualified.

1. The Title I Instructional Coach will:

1. Provide Title I parents and staff information regarding the purpose of the Title I Parent Involvement Committee and the opportunity to be involved (i.e., phone, flyers, school newsletter).
2. In meaningful consultation with parents and Title I staff, develop, evaluate and revise Arlington's Title I Parent Involvement policy.
 - a. Parents will participate in the design, development, operation and evaluation of the program for the next school year.
 - b. Proposed activities shall be presented to fulfill the requirements necessary to address the requirements of parental involvement.

C. All Title I parents will be encouraged to attend the Title I Parent Involvement meetings.

1. Special needs of parents for translators and childcare will be accommodated.
2. Parents will be informed about Title I meetings in a timely manner.
 1. An annual meeting will be held during the first month of school to provide information to Title I parents about the goals, policies and benefits of the Title I program for their child. This meeting will provide:
 - a. a description and explanation of the curriculum, the forms of academic assessment used to measure student progress, and the expected levels of student proficiency
 1. Measuring Student Progress:
 - a. Parents are given monthly newsletters from the principal explaining different assessments that were given and explanation of how to read their child's results. In addition, parents are given a Pearson Perspective flier that directs the parents to a website that provides them with academic support in the home based on their child's ILEARN results.
 - b. information about programs provided under Title I; such as the availability of a Title I Parent Resource Library
 1. At Kindergarten Assessment time, we schedule a time to meet with parents and assess their child's skills in basic areas of kindergarten readiness skills. At this time we also provide parents with a tour of our building a packet of information that will provide the parent with activities to complete at home to help their incoming kinder be successful.
 - c. guidance for parents to assist in the education of their children at home
 - d. information on procedures to follow at the district level if the parent has questions or concerns about the school's Title I program
 - e. an exit slip is offered to the parents, at the end of the meeting, to give parents an opportunity to make suggestions and evaluate how the delivery of the information at the meeting met their needs
 - f. Other reasonable support for parental involvement activities as parents may request.
 4. In addition to the annual meeting described above, the school will provide at least one opportunity per semester for parents to learn how to help their child improve their reading and/or math skills. The (morning or evening) timing of these meetings should be flexible to allow for the greatest parent participation possible.
 1. Providing 2 parent academic support nights:
 - a. Special Guest and Child Reading Partnership Night/Morning
 - b. Considering but no final decision on other topics (Conscious Discipline, Using the Infinite Campus Portal for Parents and Literacy/Math Night)

D. Title I staff will provide assistance to parents and students by providing:

1. A weekly classroom newsletter
2. Optional reading materials for at-home reading
3. Ideas for activities to reinforce children's learning for the summer
4. A literacy resource table during conferences with suggested ways to help students

learn at home

5. A Parent Resource Library will be provided with books, games, and activities to be checked out by parents of Title I students to support instruction at home.

E. The Title I instructional coach, staff and parents of children in the program will develop a "School-Parent-Student Compact" outlining the manner in which the school staff, parents, and students share the responsibility for improved student academic achievement in meeting state standards.

II. There are many ways in which parents can become involved with their children's education. Thompson Crossing Elementary values both the at-home contributions and those which take place at school and in the community. Reading to the children at home and talking with them at a family meal are as important as volunteering at school and serving on advisory committees. Many types of parental involvement are needed in a school-home-community partnership that will help all our children succeed. Opportunities for parental involvement will include:

- A. Volunteering in their child's school
- B. Attending parent-teacher conferences
- C. Working on various school committees to participate in school decision-making
- D. Attending Title I parent meetings
- E. Signing and fulfilling the School-Parent Compact
- F. Maintaining good communication between home and school
- G. Bringing constructive comments concerning the Title I program to the teacher, school administrator or district administrators, and to receive a response to the comments as soon as practicably possible

Comprehensive Needs Based Assessment

Guiding Questions - FAMILY AND COMMUNITY INVOLVEMENT	Yes/No	Evidence
<p>POLICIES, PROCEDURES AND EXPECTATIONS</p> <p>Does your school have a clearly articulated family involvement policy and compact?</p> <ul style="list-style-type: none"> • How were the policies and compacts developed or revised? • How many current teachers, parents, and staff were involved in the development or revision of the parent policy? 	<p>Yes</p> <p>LEA and School PL221 Team</p>	<ul style="list-style-type: none"> • Policy & Compacts--Will send and ensure return for ALL students • Sign In Sheets
<p>POLICIES, PROCEDURES AND EXPECTATIONS</p> <p>Are the expectations for your students understood by parents?</p> <ul style="list-style-type: none"> • Are parents aware of the academic expectations for the student(s)? • Are parents aware of how to volunteer in or visit their child's classroom? • Are expectations for parent involvement explicit? • Is parent involvement, including communication, training, opportunities for participation, and community partners, important to your school? How do you know? 	<p>yes</p> <p>yes</p> <p>yes</p> <p>yes</p> <p>no</p>	<ul style="list-style-type: none"> • Volunteer Log • Student Handbook • Meeting Agendas • SPARC Center • Fast Track • Adult & Child Counseling • Parent Square • Summer Servings • Monthly Gator Gazette Newsletters • Meet the Teacher Night • ClearSight Reports • Facebook • YMCA Partnership
<p>COMMUNICATION</p> <p>How does a class, the school, or the district communicate with parents?</p> <ul style="list-style-type: none"> • How often and by what method are parents communicated with in one week? (Include all information that comes from the teacher as well as incoming information, such as notes from parents.) • Is information to parents sent in another language? • Is information sent to parents in an understandable language (i.e., no jargon)? 	<p>When Needed</p>	<ul style="list-style-type: none"> • Copies of documents in second language • Parent square translates • Meet the Teacher/Back to School Night • School newsletter • Weekly classroom newsletter • parent/teacher conference • BOY, MOY, EOY updates • mid-terms/report cards • Calendar

	yes	
<p>OPPORTUNITIES FOR INVOLVEMENT</p> <p>What opportunities are available for parents? Are those opportunities successful?</p> <ul style="list-style-type: none"> • What activities were offered during the previous school year? • How many parents attended each activity? • How many teachers attended each activity? • How many activities included specific information related to academic achievement (e.g., showing a new reading series, modeling a lesson or strategies, participating in a reading or math activity with their child)? • What accommodations are made to make their school visits more successful (e.g., having a translator available, providing transportation or childcare)? 	Yes	<ul style="list-style-type: none"> • Field day-20 parents • Movie night--75 vehicles • Cookies and canvas--50 families • Friendship parties--Virtual • Room parents--Virtual Assistance • Fall party--Virtual • Veterans day & Triathlon • Breakfast and books • Evening with Santa--150 families • Spring Fling--150 families • PTO--0-50 <ul style="list-style-type: none"> • Involvement evidenced through meeting Sign In Sheets • Meeting Agendas • Grade Level Field Trips • Volunteers in Classrooms • PTO Meetings & Activities

Guiding Questions - FAMILY AND COMMUNITY INVOLVEMENT	Yes/No	Evidence
<p>EDUCATING EDUCATORS</p> <p>What support is provided to teachers to facilitate more effective parental involvement?</p> <ul style="list-style-type: none"> • What activities are offered and available for teachers related to learning how to more effectively work with parents (e.g., formal professional development or professional dialogue during collaboration time)? • Does your school have a parent liaison? 		<ul style="list-style-type: none"> • Jenny Monday-- parent liaison for PTO • Professional Development calendar • Parent communication <ul style="list-style-type: none"> ○ Positive phone calls (August-September) ○ First communication with families should be over the phone (Osborne/Myers can sit with you)

Comprehensive Needs Assessment Summary and Goals

Vision Statement

The vision of South Creek Elementary School is to provide a safe learning environment where all students excel and collaborative relationships are built.

DATA ANALYSIS CHART	
DIRECTIONS: Use this chart to summarize data statements (from Data Guides) then identify strengths and weaknesses for each focus area.	
Curriculum & Instruction	
<p>Strengths School Grade A- Growth Intervention Process. Providing Intervention to students targeting lowest deficit skill Professional Development for Teacher Table (small group instruction) ENL ILEARN and WIDA achievements Teachers ability to provide differentiated instruction due to additional manpower (title instructional assistants)</p>	<p>Challenges Assessing the retaught skills after failing summative assessments Resources to provide PD to Instructional Assistants and new teachers. Staffs begin to understand blended classroom practices but still needs PD. The manpower to provide Intervention limits the number of students we can reach even though the student's data shows they need intervention. Tier 3 Behaviors & would like additional PD for differentiating students in need of MTSS interventions</p>
Professional Development	
<p>Strengths Instructional Coach providing Professional Development PLC Wealth of staff knowledge that could be shared</p>	<p>Challenges Coach providing professional development to teachers more steadily due to other responsibilities. Subs for PD opportunities (Time out of the classroom)</p>
Family Involvement	

<p>Strengths Communication through newsletter and Parent Square BTS night/Ice Cream Social Kindergarten Orientation Parent Teacher Conferences PTO events</p>	<p>Challenges Website and Facebook Updates Child care issues Lack of participation Lack of PTO enrollment Background check cost Would like to increase and celebrate diversity within our PTO</p>
---	--

School Context & Organization

<p>Strengths Procedures within the building- the cafeteria, hallway, fire, inclement weather, and lockdown procedures Bully Awareness through Counselor lessons and Intervention</p>	<p>Challenges Attendance Teacher's procedures for discipline in the office Resources for Tier 3 Behaviors</p>
---	---

COMPREHENSIVE NEEDS SUMMARY

How was the Needs Assessment Conducted?

Our Title Committee looked at data from the five focus areas. Our methods of collecting data include Teacher input, classroom and hallway observations as well as analyzing data from multiple sources:

ILEARN
 IREAD
 Guided Reading Benchmarks
 Title Cohort data

This information was discussed by the committee allowing us to determine South Creek's strengths and weaknesses.

What are the results of the Data collection?

Our team identified the following strengths and weaknesses: TBD during the school year

Curriculum and Instruction:

Current Intervention Model meets the academic needs of students. Tier 3 behaviors and lack of resources has been an obstacle.

Professional Development:

Our Administrative Intern trains all Instructional Assistants how to use intervention tools during intervention time and to create an additional teacher table as well as other PD. However, due to other responsibilities, she is unable to provide classroom lessons on a regular basis due to time constraints.

Family Involvement:

While we do provide opportunities for our families to come to our school and learn methods to support their child at home, the information is driven by the school. We would love to see an increase in attendance for our events, specifically in our minority populations.

School Context and Organization:

South Creek's students, staff, and families have taken ownership of our PBIS. Students are feeling successful through our celebration of gator bucks, traits tickets, and are accountable through our school-wide adoption of our behavior management system.

What conclusions were made?

Our CNA supports the following goals:

- Goal 1:
Increase ILEARN results by 5% through increasing the number of differentiated small groups for all students. Also to obtain 80% of students at Recommended Guided Reading Levels.

- Goal 2:
Provide 8 Professional Developments that are researched based and data driven to increase academic success by 5% . Provide Intentional, focused instruction that is researched based.

- Goal 3:
Increase Family Involvement by offering 2 additional family night events in the 2021-2022 School Year. These events will provide child care and directly reflect the needs of our families based on our parent survey data.
